

## Jeremy Savage

Mob: 027 433 1069

Email: [jeremy@mrb.co.nz](mailto:jeremy@mrb.co.nz)

189 Alford Forest Road, Ashburton 7700

### Qualifications

- Bachelor of Agricultural Science (Hons)
- Member of New Zealand Institute of Primary Industry Management
- Registered Farm Management Consultant

### Experience & Expertise

- Farm consultancy in Mid Canterbury from 1996
- Farm management, pasture production, milk production, budgeting and cashflows
- Production and profit benchmarking of dairy farms and production systems across the sector
- Farm ownership structures and succession
- Governance and business management structures

Jeremy's professional focus is on the dairy sector. He has developed monitoring systems with clients focused on turning grass into milk into profit. He consults in Canterbury, Southland and Tasman areas.

Since 2018, Jeremy has been supervising LUDF (Lincoln University Dairy Farm) and has played a key leadership role in presenting on behalf of the South Island Dairy Demonstration Centre.

Jeremy and his wife Rachel own a 360 cow family farm in Golden Bay. Jeremy and Rachel reside in Ashburton with their two sons.
