

## Trevor Gee

mob: 021 227 6476

off: (03) 337 4141

189 Alford Forest Rd, Ashburton 7700

[Trevor.Gee@mrb.co.nz](mailto:Trevor.Gee@mrb.co.nz) [www.mrb.co.nz](http://www.mrb.co.nz)

## Qualifications

- Gurteen Agricultural College 1994-1995, Republic of Ireland.

## Experience

- 20 years managing dairy farms in Ireland, England and New Zealand with a wide range of systems from all grass up to fully housed, producing 840kg MS/cow.
- 3 years with Dairy NZ (Consulting Officer in North Otago).
- 18 months working with MPI helping farmers effected with *M. bovis*.

## Expertise

- Farm systems analysis with a strong focus on profit.
- Farmax farm systems modelling.
- Reproduction analysis and helping to develop systems to achieve desired outcomes.
- Discussion group facilitation.
- Farm supervision.
- Biosecurity for your business.

Trevor has a wide range of skills and experience across the dairy industry which he uses to create solutions to problems he encounters on a daily basis, with a key focus on profit.

Trevor lives near St Andrews in South Canterbury with his wife Trudy and two children Hannah and Sam. He enjoys mountain biking, hunting, fishing and exploring the harder to reach places in New Zealand.
